Description

There is no doubt that this is the finest and most up to date buildout for any office space in Berea that this agent has ever seen. Outstanding finishes, Break Room, Private offices 3, common areas, and new restrooms. Not to mention the 200 sf private OUTSIDE DECK on the rear of the space. This is the dream office space you have been looking for. Absolutely move in ready and get started tomorrow. Seriously the best space in Berea. This is the kind of space you would expect on Rockside Road in a Class A building for 2 times the price we are asking. Front street entrance on the front of the building and rear entrance to the Municipal parking lot off the private Deck. Do not let your clients miss this one, just outstanding.
